This years ISA Oil Sands Automation Conference has a back to the future feel with a focus on mining and reports on technologies and projects that have long held promise in the Oil Sands. The Conference will start on Tuesday March 13, 2012 at 13:00 with an opening address by Municipality of Wood Buffalo mayor Melissa Blake. Wednesday's event begins with a continental breakfast at 08:30 and presentations at 09:00 with wrap-up both days at 16:00.

We are limited to 150 attendees so register early. There is a special Student Registration rate available, through the Section office or your Student Section Advisor.

We will also be having a banquet Tuesday evening with a local oil sands facility executive presenting a unique perspective on the industry.

The program will end at 16:00 on Wednesday and the Discovery Centre is near the airport so out of town attendees will be able to travel home after the event.

The complete program with the latest updates, hotel information and links will be on the ISA Edmonton Section website at <http://www.isaedmonton.ca/oilsands>

Please fax to 780-628-5820.

Payment can also be made via PayPal at <http://www.isaedmonton.ca/Paypal/paypal.htm>
