Sponsorship Packages
Become a Sponsor Today!

Imagine if you could associate your company with excellence in the minds of the automation, controls and instrumentation industry. The events are organized by section volunteers but support for these programs is provided by companies and individuals like you!

ISA Standards help automation professionals streamline processes and improve industry safety, efficiency, and profitability. Over 150 standards reflect the expertise from over 4,000 industry experts around the world. Since 1949, ISA has been recognized as the expert source for automation and control systems consensus industry standards.
